RUSSIANS CRUSH NAZI COUNTER-ATTACKS AT KHARKOV

Red Shock Troops Reported Breaking Enemy Resistance

BY ROGER D. GREENE
Associated Press War Editor

Marshal Semeon Timoshenko's Red armies were reported hammering the Germans into retreat in the eight-day-old battle of Kharkov today, advancing between 30 and 40 miles on a 60-mile front, crushing tank-led counterattacks and wiping out Nazi parachute troops.

Front-line dispatches said Russian calvarymen, charging wildly across a pontoon bridge under an umbrella of warplanes, had captured "a large inhabited locality" in a further advance on the big Ukraine steel city.

Soviet tanks followed the horsemen, while Red warplanes shot down 17 German aircraft which attempted to break up the assault.

The unidentified locality may have been Belgorod, about 25 miles north of Kharkov, or Zmiev, 12 miles south of Kharkov. The capture of either point would create a serious flanking threat to the Germans.

London military quarters said the Russian offensive, which began with a 35-mile breach through the German lines, was now sweeping forward at varying depths on a 20-mile line.

Soviet dispatches declared Russian shock troops were "breaking enemy resistance" and said the Germans were already showing signs of strain as wave after wave of reserves failed to stem the advance of Timoshenko's men.

More than 2,700 Germans were reported killed or wounded, in addition to 12,000 previously announced.

A British military commentator said the big drive was having a considerable effect on German offensive plans, amid indications that Nazi assault troops resting in other areas were being diverted to Kharkov.

On the whole, Adolf Hitler appeared to face an increasingly gloomy outlook not only in the Russian campaign, but at Germany's back door along the English channel "invasion coast."

This was emphasized anew with the disclosure that the biggest AEF contingent of the war—tens of thousands of fresh United States troops with their own tanks and artillery—had arrived to bolster earlier forces training in northern Ireland.

In the Crimea, the German high command asserted that "destruction of the last remnants of the German army on the Kerch peninsula is about to be completed," while Reuters (British news agency) dispatch said Russian resistance had stiffened with the arrival of fresh Red army troops at Yemiale.

Hitler's field headquarters gave indication of the battle trend around Kharkov, but declared that German troops had repelled new attacks and destroyed 447 Russian tanks.

Fierce fighting also raged on the Leningrad front, where defenders of the old Czarist capital were reported to have killed 800 Germans in a two-day battle.

Parity Price Issue Revived

BY JOHN W. HENDERSON
Washington, May 19.—(P)—Successful in obtaining senate approval of the parity price issue, the house, farm bloc members prepared today for a new battle over maintaining parity prices for agricultural commodities.

The price issue was before the senate in the form of an amendment to the \$680,000,000 agricultural appropriation bill designed to prevent sales of government-held surplus below parity levels.

Another phase of the controversy came up in the senate banking committee, which met to consider legislation granting broad authority to the Reconstruction Finance Corporation to buy and sell commodities upon requests of the price administrator.

Balance of Power in Western Europe Shifts to the Allies

BY DREW MIDDLETON
London, May 19.—(P)—The balance of military power in western Europe has shifted to the Allies for the first time since the war began, a responsible military adviser declared today as thousands of battle-ready American soldiers swelled the striking front developing in these islands.

The realization both here and in the United States that only offensive action can beat Germany decisively is underscored, this important said, not only by the great convoy which has deposited a new, combat-equipped United States force in northern Ireland but also by the intensive training of Canadian and British armies for attack and the accumulation of air strength.

Now, he said, with the German army deteriorating and in difficulties in Russia, the new American arrivals with prospect of still further reinforcements make it possible for the Allies to plan for an offensive with at least 20 divisions, 300,000 men.

FORMIDABLE U. S. FORCE IN IRELAND

Tens of Thousands of Fresh American Soldiers With Tanks and Artillery Are Landed

AXIS SUBS OUTFOXED

BY RICE YAHNER
AEF Headquarters, Northern Ireland, May 19.—(P)—Tens of thousands of fresh United States soldiers, newly landed with their own tanks and artillery from a convoy almost as large as the greatest of 1918, powerfully reinforced earlier contingents in advanced training at Ulster bases today.

Equipped with millions of dollars worth of battle tools, they arrived amid public enthusiasm in Britain for opening an Allied front against Germany in western Europe.

Many among the sturdy youths are from middle western and north central states. Some already have served in the Pacific. Fit and eager, they make up the most formidable of the American forces landed here since the first arrival in January.

The convoy outfoxed Axis submarines on the 2,400-mile voyage, its escort delivering thunderous depth charge attacks and its gun crews alert for aerial onslaughts that never came. Observers expressed belief that at least one submarine could not have escaped the depth charges.

Facing its most important Atlantic convoy job in more than five months of war, the U. S. Navy kept intact its record of never having lost a troopship. British warcraft assisted.

From the transport among them converted liners and cruise ships—the debarkation was smooth and swift.

Unloading, screened by anti-aircraft guns against possible discovery, was completed.

New Induction System Starts Within Month

Harrisburg, May 19.—(P)—The new automatic 14-day furlough system for selectees was described today by the head of Pennsylvania selective service as "much more satisfactory" than that in effect since April 1.

"It is a return to a system which, in effect, is similar to the 'Pennsylvania plan' that proved so satisfactory in the past," said Col. B. F. Evans, acting director.

Col. Evans has issued orders to local boards to change over to the new army system, in effect after June 15. The army will pay for meals and transportation for the induction station home and back.

All selectees upon induction, the selective service head declared, are automatically given a furlough under the new system. He added, however, that anyone not wanting a furlough would be sent to the reception center.

Under the present system inductees are mustered into service and, after their arrival at the reception center, permitted to apply for a 10-day furlough, but have to pay their own transportation costs.

Under the automatic furlough system, a selectee who passes the final tests will be transferred to the enlisted reserve corps, a status he will keep until he reports at the (Turn to Page Three)

Urge Farmers To Sell Scrap

Harrisburg, May 19.—(P)—Pennsylvania farmers can increase their income this year by almost \$1,000,000 through sale of metal scrap, a state salvage official asserted today.

"By the end of the year we should have stripped the 169,027 farms in the state of approximately 80,000 tons of scrap metal," declared Colley S. Baker, executive secretary of the salvage committee.

Baker estimated that the price for farm salvage would range from 50 to 70 cents a ton, which at an average of 60 cents a ton would bring in more than \$900,000.

He reported that farmers already have contributed 30,000 tons and that the special farm salvage drive in the first week of June is (Turn to Page Three)

Board Will Administer War Victuals

Creation of Food Administrative Body in Near Future Predicted

INDEPENDENT GROUP

Washington, May 19.—Creation of a war food administrative body within the near future was predicted today by responsible government officials.

Whether the agency would be an independent group or a part of the agriculture department, the War Production Board or some other department remained to be decided.

One plan tentatively advanced called for appointment by Donald M. Nelson, WPB chairman, of a committee headed by Secretary of Agriculture Claude R. Wickard which would be responsible for stimulating agricultural output and apportioning it to meet the growing needs of the army and navy as well as the United Nations.

It was estimated the armed forces and lend-lease would require 20 to 25 percent of next year's food production.

With the armed forces having first call, it was said lend-lease supplies would be allocated both as to food and as to countries, and supplies available for domestic consumption would be certified to the office of price administration for allocation.

The proposed Wickard committee, it was understood, would be a policy-making body which would leave the actual handling of food supply problems to the existing agencies best suited to handle them—mainly in the agriculture department.

NEW YORK AREA HAS "BLUE" ALARM TODAY

New York, May 19.—(P)—Major General Follett Bradley, commanding the headquarters of the eastern defense command, announced today that a "blue" alarm sounded for the New York area at 11:06 a. m. (EWD) and the all-clear signal followed at 11:25 a. m.

No reason was given for the alarm. NEAC announced its station WEF was off the air for 23 minutes.

Major candidates voted early in the state's primaries today, despite a drizzling rain.

Luther A. Harr, seeking the Democratic nomination for governor, went to the polls at 8 a. m. with his son, Luther, Jr., a bank employee who cast his first ballot.

"All reports from upstate are encouraging," Harr said, "and I am hopeful of making a good showing in Philadelphia."

William J. Hamilton, Jr., candidate for the lieutenant governor nomination on the Republican ticket headed by U. S. Senator James J. Davis, appeared at a district voting place at 8:30 a. m. and flashed what he called "a victory smile."

Hamilton said he was seventh in the voting line and added "when you roll seven you win."

A record light vote was forecast by John C. Bell, Jr., Hamilton's opponent on a ticket headed by Major General Edward Martin, when he went to the polls with his wife and son, Sgt. John C. Bell, 34.

WAR DEBATE TAKES PLACE IN COMMONS

Possibility of Opening a Western Front Against Germany Discussed By Major Attlee

TRANSPORT IS ANXIETY

London, May 19.—(P)—Major Clement Attlee, dominions secretary, told the house of commons in a war debate today that the possibility of opening a western front against Germany "is in our minds," but he added that "every move on the board is conditioned by transport problems."

Prime Minister Churchill did not take part in the debate, which ranged from the battles in Soviet Russia to Australia and Burma and India.

"What the people wish to know is that the government is determined to deliver a great attack on the enemy in the west," Arthur Greenwood, former minister without portfolio, had said.

The people are insistent, he said, in order "to give the Soviet Union ever increasing and powerful aid" and also to take the initiative against Hitler on territories overrun by his panzer divisions.

"You may be sure that possibility is in our minds and that it is in the minds of the German high command," Attlee said.

"The matter of sea transport is a constant anxiety," he added. "There is no need to remind the government that this a tender spot."

"With the best will in the world we cannot always get the forces we want to the place we desire at the time we wish."

This was particularly true in the Pacific and Indian ocean areas, he indicated, but he reminded the house that Ceylon had been reinforced and declared "we are doing all we can to strengthen our forces in India."

Canadian Ship In Transport Service Is Lost

Montreal, Canada, May 19.—(P)—The 16,000-ton Canadian liner Empress of Asia, a converted transport, was sent to the bottom by Japanese dive bombers while en route to Singapore last Feb. 5, but most of the 2,500 imperial troops she carried were saved.

The story of the sinking was disclosed today along with the official announcement of the liner's loss.

Her chief officer, D. Smith, reported that she went down off Sumatra, near Sumatra, in the Dutch East Indies.

The official announcement said: "The admiralty have granted permission to Canadian Pacific Steamships Limited to announce that the Empress of Asia was sunk last spring by air attack in the Far East whilst engaged in transporting troops to Singapore."

(As a transport she was capable of carrying more than 1000 men but there was no indication what the loss of life might have been.)

(Singapore fell to the Japanese last February 15 and the sinking apparently occurred some time before that date. The reference to "last spring" in the announcement was not made clear but it undoubtedly referred to some time before the fall of Singapore when the British were sending reinforcements to that island. She was in New York harbor last September.)

The Empress of Asia was built in 1913 at Glasgow. Her home port was Vancouver. B. C.

Method of Choosing a New House Whip Causes Dispute

Death of Rep. Boland Poses Problem for Parliamentary Expert

PRECEDENTS MISSING

BY W. F. ARBOGAST
Washington, May 19.—(P)—The death of Rep. Patrick Boland of Pennsylvania left the house with a vacancy in one of its most important, although unofficial, positions today and found veteran legislators in disagreement as to the method of naming a successor.

While it was generally agreed that appointment of the majority whip was a matter of discretion resting solely with the speaker, some members claimed the appointment must come from the majority floor leader.

Boland, who died in Scranton of a heart ailment yesterday, was appointed Democratic whip in 1935 by the late Speaker Joseph Byrns.

A search of congressional records and files failed to throw any light on the controversy, the only reference found being in the precedents of the "house."

This, claimed Rep. Clarence Cannon of Missouri, an authority on precedents and precedents, was the only record anywhere in the books that there is such a position as that of whip.

Generally recognized as the third most important man on the majority side, outranked only by the speaker and the majority floor leader, the whip is a creature of tradition.

The position purportedly was created in the British parliament several hundred years ago and the continental congress is supposed to have got the idea from its close association with British parliamentary procedure.

The whip's chief job is to have men on the floor to vote the right way at the right time. He serves also, according to "precedents of the house," as a liaison man between the White House and congress.

Keeping the president posted on house sentiment and keeping the house majority posted on White House sentiment.

\$250,000 ASKED AS RESULT OF COLLISION

Pittsburgh, May 19.—(P)—A Scranton physician and his wife are asking \$250,000 damages in a federal court suit against a Detroit trucking concern for injuries which they claim they suffered in a highway accident near Steubenville, O., on July 6, 1941.

Dr. Joseph C. Carrano, 41, is seeking \$200,000, claiming his left arm was permanently disabled. His wife, Helen, 35, asks \$50,000 for injuries which she said necessitated an operation.

Attorney Charles J. Margiotti, counsel for the Carranos, said the couple suffered their injuries when their automobile and a truck of the defendant concern, the Red Star Transit Company of Detroit, collided.

Dr. E. P. Swartz, of Scranton, testified yesterday that he treated Dr. Carrano and that in his opinion Dr. Carrano's arm injury was permanent.

FAMOUS RADIO STAR BECOMES A FATHER

Hollywood, May 19.—(P)—There's a new member of the Phil Harris family.

A daughter, weight 7 pounds, 2½ ounces, was born at 2:38 o'clock this morning to Mrs. Harris, known professionally as Alice Faye.

The couple had discussed names and decided that if the baby was a boy he would be named after his father; if a girl, she would be called Phyllis.

(Singapore fell to the Japanese last February 15 and the sinking apparently occurred some time before that date. The reference to "last spring" in the announcement was not made clear but it undoubtedly referred to some time before the fall of Singapore when the British were sending reinforcements to that island. She was in New York harbor last September.)

The Empress of Asia was built in 1913 at Glasgow. Her home port was Vancouver. B. C.

Pittsburgh, May 19.—(P)—Captain Hewitt T. Wheelless, intrepid young Texan whose exploit of winging home in a badly damaged bomber from a raid on Japanese transports won President Roosevelt's praise, came here today to thank some of the men behind the front who made his feat possible.

Captain Wheelless survived a 75-mile running fight with 18 Japanese zero fighters to land with the ship virtually unmanageable and with most of the crew dead or wounded.

The schedule called for a visit to the workers in the Westinghouse Micarta (plastics) division at Trafford and to the Christy Works of the National Tube Corporation in McKeesport. He was to view the one-millionth bomb made at the Christy works.

A parade through Pittsburgh's business district also was arranged for the flier.

Youth Fatally Hurt Loading Huge Timbers

David Passinger, 23, Victim of Accident Near Chandelers Valley

MANY BONES BROKEN

Crushed beneath a pile of four by four timbers which fell from a semi-trailer on which they had been loaded, David Passinger, 23, of near Chandelers Valley, died about 9:45 o'clock last night in the Warren General Hospital.

The accident occurred about four o'clock yesterday afternoon at a sawmill operated by the A. R. Brennenman Lumber Company, of Jefferson, Ohio, on the Mead lot in Conewango township, about four miles east of Chandelers Valley.

According to accounts of the accident, the semi-trailer had been loaded with the four by four timbers, which were 16 feet long and of rough hemlock. Passinger was about to hook the end of the binding chain to the side of the trailer, while the truck driver, Harold Brew, of Chandelers Valley, was standing on top of the load, ready to fasten the chain binder, when (Turn to Page Seven)

Election Faces Court Battle

Scranton, May 19.—(P)—Both Republican and Democratic leaders predict that a victory in today's primary for the candidacy of the late Rep. Patrick J. Boland would result in a court battle to determine finally who will represent the 11th congressional district.

Boland, the majority whip in the house who was seeking his seventh term in office, died yesterday of a heart attack, and the Lackawanna county Democratic executive committee decided to continue its support of his candidacy.

If Boland is renominated, the committee said, it intends to name its own candidate to fill the vacancy in the general election.

There is no precedent in Pennsylvania primary history of a dead man winning the nomination in a congressional race.

A Republican spokesman said that a Boland victory might automatically result in the election of Attorney James J. Peck, opposed for the Republican nomination.

In a statement released at the White House, Doolittle described the historic mission.

He said that little trouble was experienced in reaching objectives or from Japanese planes.

One plane's target, Doolittle asserted, was the navy yard south of Tokyo where "one salvo made a direct hit on a new cruiser or battleship under construction" and "left it in flames."

One bomber, the general said, "strewn incendiary bombs along a quarter of a mile of aircraft factory near Nagoya."

Check-Up Reveals But Few Are Voting in the Borough

A combination of lack of interest and rain kept voting at a very low point during the morning hours of today's primary election in Warren borough, only 615 persons having cast ballots up to 1:30 o'clock this afternoon, a check-up revealed.

Leaders of both Republican and Democratic parties stated that they expected the total vote for the day to be one of the highest in many years. This morning's vote was the smallest in at least a dozen years.

In the primary four years ago there were 1,771 votes cast at 1:30 p. m., while eight years ago the

DEAD MAN ON BALLOT

Philadelphia, May 19.—Factional fights for wartime control of the Republican and Democratic parties in Pennsylvania went to the voters for decision today, with party nominations for governor as the principal stakes.

The state-wide primary election also provided an answer to the question of the extent of the public's interest in politics while the nation is at war. All factions expected a light vote.

Early reports from Pittsburgh, Harrisburg, Philadelphia, Reading and other points indicated the voting was the lightest in years.

Tire rationing, and gasoline rationing in eastern Pennsylvania also served to deter voters. Clear, cool weather prevailed in the western part of the state and threatening clouds hung over many eastern counties.

Eligible to vote were 2,604,734 Republicans and 1,973,137 Democrats. The polls opened at 7 a. m. and close at 8 p. m. (eastern war time).

For the gubernatorial nomination, Republicans chose between Major General Edward Martin, backed by the state organization, and U. S. Senator James J. Davis, who ranked on the following he built up as secretary of labor under three presidents and 12 years in the senate.

On the Democratic side, U. S. Senator Joseph F. Guffy supported the candidacy of Judge Ralph H. Smith, while the state committee and National Committeeman David L. Lawrence backed Auditor General F. Clair Ross. State Chairman Meredith Meyers threw his support to a third entry, Luther A. Harr, U. S. bituminous coal consumers' counsel, as a harmony candidate to unite the Guffy and Lawrence factions.

The Democratic candidates avoided the name-calling which split the party four years ago.

In Lackawanna county (Scranton), the county Democratic executive committee sought to nominate a dead man for congress.

Rep. Patrick J. Boland, majority whip in the house, who was seeking his seventh term, died yesterday, but the committee decided it would continue to support his candidacy.

Both parties also elected members (Turn to Page Seven)

Doolittle Leader of Raid Squadron

Washington, May 19.—(P)—Brigadier General James H. Doolittle was revealed today as the leader of the American air raid on Japan a few weeks ago.

This was disclosed when the flier, noted also for his peacetime speed exploits, received from President Roosevelt in person today a congressional medal of honor.

In a statement released at the White House, Doolittle described the historic mission.

He said that little trouble was experienced in reaching objectives or from Japanese planes.

One plane's target, Doolittle asserted, was the navy yard south of Tokyo where "one salvo made a direct hit on a new cruiser or battleship under construction" and "left it in flames."

Second Event
of Observance
This Evening

The second big event scheduled in the centennial celebration of First Lutheran church takes place this evening at 7:30 o'clock, when Rev. Carl Bartsch, of Minneapolis, Minn., will speak at a historical service and Ernest C. Miller, of Warren, will present a survey of the local church's history.

Following this service, women of the church will be in charge of a reception to which all members and friends are cordially invited. Many have come from out of town for the centennial celebration and will be present to greet old friends.

Rev. Bartsch arrived from the west last night to be the guest of his sister, Mrs. George Walters, Onondaga avenue.

On Wednesday evening, Dr. George Gongaware, former pastor of the congregation and now of Charleston, S. C., will preach a vesper sermon, starting at 7:30 o'clock.

Pastor Edward K. Rogers stated today that reservations have been returned for several places at the centennial banquet Thursday and anyone wishing them may call him to make arrangements. Any others who find they cannot attend are asked to communicate with him at once, since the list has been closed at 350 reservations.

Legion Poppy
Day Will Be
Held Saturday

Poppies of patriotic remembrance will be sold in Warren on Saturday, May 23, it was announced today by the Women's Auxiliary of Chief Complanter Post, No. 133, American Legion.

Every man, woman and child in the borough will be asked to wear a poppy on that day in honor of the men who have given their lives for America. The poppies will be distributed by volunteer workers from the Auxiliary and the coins contributed for them will be used in Legion and Auxiliary work for the disabled veterans of World War I, their families and the families of the dead.

The poppies which will be distributed here have been made by disabled veterans at Aspinwall Hospital, near Pittsburgh. Making the little red flowers has given many veterans employment during the winter and spring months. The work is limited to men receiving little or no government compensation and those with families to support. These veterans receive two cents for every poppy they make, and many of the veterans use this means of paying their insurance policies, it was stated.

Contributions received for the poppies on Poppy Day are a principal source of support for the vast welfare work carried out by the Legion and Auxiliary among the disabled men and dependent families. With the new war adding to America's list of war victims, there will be a greatly increased need for funds during the coming year.

OBITUARY

MRS. S. E. CHAMBERS
Gladys A. Chambers, wife of Stephen E. Chambers, of Warren, D. 3, passed away at 10 o'clock this morning in the Warren General Hospital, aged 35 years. She was preceded in death by an infant son, Paul L., who was born at ten o'clock last night. Surviving Mrs. Chambers are her husband and the following children: Margaret L., Stephen E., Jr., Catherine M., Helen N., Richard W., and Donald L., all at home; also the following brothers and sisters: Albert, Charles, Carl, Guy, Ernest, Erwin, Thomas, of Starbuck; Raymond Thomas, Page Hollow; Mrs. Rosie Wallace, Pittsford; Mrs. Anna Skinner, Bear Lake; Mrs. Ida Yeagie, Mrs. Clara Dexter, Warren.

Double funeral services for the mother and child will be held at two o'clock Thursday afternoon at the Lutz Funeral Home, where friends may call at any time. Interment will be made in the Derry Hill cemetery.

ELIZABETH ANDERSON
Sheffield, May 19—Funeral services for Miss Elizabeth Anderson were held at 2:30 p. m. Monday at the family home in Brookston, Rev. Ralph Richardson, of Guy's Mills, was assisted by Rev. A. B. Smith, cousin of the deceased from Brookville. Three favorite hymns, "Home of the Soul," "My Saviour First of All," and "Crossing the Bar," were read. Miss Anderson had served as tax collector and assessor in Howe township and a wide circle of friends sent flowers and attended the service. Impressive rites at the Sheffield cemetery were in charge of the Eastern Star of Warren and the following nephews acted as bearers: Edwin and Wallace Larson, Charles Anderson, Loughton Swanson, Conrad and Peter Gregg.

Those attending from out of town were Mr. and Mrs. Charles Anderson and sons, Charles and John, Brookville; Mrs. Lena Clark, Red Bank, N. J.; Mr. and Mrs. J. E. OBITUARY

DELMAR E. GRAHAM
Funeral services in memory of Delmar E. Graham, retired oil man of Garland, will be held at three o'clock Thursday afternoon at the Templeton Funeral Home. Removal has been made to the funeral home and friends will be received there at any time. Interment will be made in the Salina, Pa., cemetery.

Mr. Graham was born July 19, 1867, and had been a resident of the Garland community all his lifetime. Besides his wife, Florence, he leaves a sister, Lila Johnston, of Eureka, Kansas, a niece in Groton, N. Y., and a nephew in Bradford.

DARWIN BEACH
Darwin Beach, of North Warren, passed away this morning at nine o'clock at the Warren General Hospital. Removal was made to the Lutz Funeral Home. A more complete obituary will be printed later.

CARD OF THANKS

YOUTH BAND CONCERT

The Salvation Army Youth Band will go to the Russell Methodist church at 7:45 p. m. Wednesday for a program of sacred band music. All are invited.

ERROR IN REPORT

In the last report of the Community Chest, which appeared in the Times-Mirror, the Warren Fire Department and the employees of the Woolworth Company should have been listed as being one hundred percent contributors, it was stated today.

DISTRICT RALLY

The Salvation Army district rally, conducted in the Warren corps citadel last night, was very largely attended by Warren Salvationists and friends, as well as Bradford, Corry, Jamestown, Kane and Titusville. The meeting was a holiness service and the principal address of the evening was delivered by the divisional commander, Brigadier William G. Harris, of Pittsburgh.

HIT BY CAR

Frank Viola, Jr., 7 years old, of 28 East Wayne street, was treated at the Warren General Hospital about four o'clock yesterday afternoon for minor injuries, sustained when he was struck by a car in Wayne street near the Seneca street school. According to hospital attaches, the car was driven by David Deardorff, Jackson avenue. No report of the accident had been made at the police station this morning.

LOSSES LARGE BILL

Mrs. Bessie Jordan, R. D. 1, Clarendon, had the disappointing misfortune yesterday to lose a twenty dollar bill somewhere, she believes, in the vicinity of the Darling Jewelry store and Community Loan building. The mother of nine children, Mrs. Jordan needs the money badly, and it is hoped that the finder will be kind enough to return it to her or to the Times-Mirror where she may call for it. A reward is offered.

RECEIVES DEGREE

Rev. Ralph Richardson, formerly of Warren, was granted his bachelor of arts degree in philosophy and religion at the 127th annual commencement exercises at Allegheny College Sunday morning. During his three years at the college, Rev. and Mrs. Richardson, the former Bernice Bovell, of Warren, have resided at Guy's Mills, where the former has done pastoral work and preaching. Prior to that, they served the East Kane Methodist church for a period of one year.

FINE PUBLICATION

By far exceeding their past numbers, the latest and last issue of the year of the Clarendon News, school publication by students, is a fitting tribute to the graduating class of the institution which will enter Warren High school next fall. Dedicated to the Class of '42, the publication includes pictures of those bidding farewell, class history, will and prophecy. The commencement program is also included, commencement for the class to be held May 28 in the I. O. O. F. hall.

Ballet Dance
Recital Here
Next Tuesday

Several outstanding numbers will mark the second annual recital of the Katherine Dawn Williams School of Ballet Dancing, to be presented on the stage of the Library Theatre next Tuesday evening, May 26.

This recital will feature many of the younger pupils of the school, as well as those of 'teen age.

One of the principal numbers will be a gypsy ballet, "The Romany Trail," featuring a group of six older girls and three younger girls. This number will present specialties by Nancy Geracimos, Jean Brindis and four-year-old Deanne Dunn. An accompanying recitation will be given by Martha Ann Edwards.

Another outstanding number is an acrobatic dance for small girls. Those taking part are Nancy Geracimos, Betty Williams, Patty Parks and Barbara Egan.

An oriental ballet, "Arabian Nights," features six girls in a line, with an interpretative dance, "In a Persian Market," by Nancy Geracimos.

The Dance of the Dying Swan, created and made famous by the famous Russian ballerina, Anna Pavlova, will be presented by Katherine Dawn Williams and one of her younger pupils, Phoebe Jewell.

Many other fine numbers are included in the program, which will be brought to a close with a grand finale in which all of the pupils will take part.

Woman's Club
Has Meeting
At Sheffield

Sheffield, May 19—Mrs. P. J. Finerty was hostess to the Women's Club last evening. This was the last program-meeting for this season. Mrs. Bert J. Hover, president of the club, had charge of the business meeting. The club will have their annual picnic in June.

Miss Evelyn V. Peterson then presented the program, as follows: Piano solo, Miss Beatrice Peterson, of Warren; violin solo, Mrs. G. McKillip, accompanied by Mrs. A. J. Scilly.

A sketch of the life of Stephen Collins Foster was given by Miss Peterson. A selected with the following ladies, Mrs. C. Potter, Mrs. L. O. Eisenhauer, Mrs. J. A. Allen, Mrs. Emma Secor, Mrs. Finerty and Miss Peterson, sang two selections by Foster. Several of the favorite songs of Foster were sung by the club members.

Direction of the Women's Club passes this year from the hands of Mrs. B. J. Hover to Miss Eva Brown; vice president, Mrs. Clyde Potter; secretary, Mrs. P. J. Finerty; and treasurer, Mrs. Girdon McKillip.

LOCALS

Mrs. Otto Schmiden, son, Marvin, and Lloyd Albright motored to Alpena, W. Va., to visit the former's parents over the weekend. Miss Emma Christian, principal of the Allentown High school, spent the weekend as the guest of her parents, Mr. and Mrs. C. J. Christian.

Reginald Aurillo and John Pastilock, who are in the service, are home on furloughs.

Gas

carries a double responsibility

in our War Effort

Speeds production of Vital War Materials

Builds health through more nutritious meals

Instead of one, Gas today carries two responsibilities of utmost importance. The first: building health in this district's homes through more wholesome meals. The other: speeding war production to achieve victory.

Three times a day in this district's homes thousands of persons are served modern Gas-cooked meals. Gas refrigerators protect and preserve food in thousands of kitchens. Gas heats health-guarding water in many more thousands of homes... just as commercial establishments, hotels, restaurants, hospitals, depend on gas for all three purposes.

Plants in this area used huge quantities of Natural Gas daily in peacetime. Wartime needs multiply the demand for this fine industrial fuel.

Great Gas-fired furnaces are used to impart desired properties to metals that are to become shell cases, anti-aircraft guns, machine guns, bombers and fighter planes, trucks, tanks.

Natural Gas in this area's plants is speeding production for war in every possible way... just as it is making our citizens strong by building health through more nutritious meals.

Behind our Armed Forces...
and at your elbow too...
the steady flame of Natural Gas!

Reports Given For YW Board Meeting Picture Activities

Mrs. Carl Lundahl, president, conducted the May meeting of the Y. W. C. A. board of directors Monday evening and the general secretary, Mrs. J. H. West, was in charge of devotions.

Reports of committee chairmen pictured a busy month, with mother-daughter banquet, Red Cross activities, closing of classes, plans for summer camp and conferences. It was stated places had been filled for six positions in household employment, from 28 calls for workers and that rooms outside had been obtained for four girls. Fourteen transient guests were assisted.

Departmental reports showed the High School Girls' Club had concluded its season Monday night, electing officers and delegates to summer conference; business clubs are closing their schedules and that the business and professional department of the national board will hold its summer conference at Wellesley College July 4-11. Girls' summer conference will be June 24-July 1 and the YW summer camp at Newatah will be June 14-24, with registrations on Saturday of this week.

Attendance for activities in the main building stood at 1,368 for the month, exclusive of the 1,744 served in the cafeteria.

Attention was called to postponement of the All-We-Je Club from May 21 to 28th.

Eat More Lightly Eat More Often
BY PAUL BRAUNSCHEWEGER of the Mullen Drug Co.
The years have added up, as they have a way of doing, and many are finding themselves on the sunset slope of life.

This means extra precautions to preserve that good health which is your due and which will make your declining years the best of your life—"the last of life for which the first was made," said Browning.

A practical rule is to eat more often and eat more lightly. Your doctor will advise you about diet and prescribe for your relief and comfort. Consult him for health.

HERE'S ONE THING YOU CAN DO

"What can I do to help?" eager men and women ask.

Well, advises a writer in the May issue of Your Life magazine, you can write letters—to soldiers, sailors, flyers and marines; to boys in training camps, to men on ships, to service men you know, to those your friends know. Of one thing you can be sure—every one of them longs for word from home.

It takes heart, not genius, to write a letter to a boy in camp. Forget about "literary quality." Let your self go. Talk to that boy on paper. Split your infinitives, dish out the slang, smudge the paper—no matter; it isn't perfection he wants, but a meeting of hearts.

Send him clippings, with a penciled note, if the thought of writing awes you. Heartening stuff from the home town paper, news about people he knows. "Henry Johnson, popular agent for the express company, complains he hasn't had time for a chew of plug cut since Washington's birthday. Says three hundred and forty shipments of baby chicks went out from Tommy Green's hatchery last week. Keep 'em clucking, Hank!" Send it on to Johnny Jones, the freckled kid whom Hank used to chase out of the office with a barrel stave—and a bombardier's hand in the far Pacific will be the steadier for it.

Be a one-person morale division. Write lots of short notes instead of occasional long letters. Paste clippings on postcards and fire them off. Send cartoons that bring hearty laughs. Send magazines, papers, photos of Cousin Dickie with his two baby teeth proudly missing.

At the other end, where they are being read, bleakness goes out of the barracks, strangeness goes out of a strange country, old friends walk for a moment among new buddies, morale gets a head of steam like a locomotive.

That's what you can do. So get going; write that letter—those letters—today!

CHANGE IN INDUCTION

The Selective Service system is going to make it easier for men inducted into the army to adjust their personal affairs before beginning active duty.

Effective June 15, but too late to be of advantage to the next group which will leave Warren on the 25th, an official announcement says, all registrants who so desire will be transferred to an enlisted reserve corps immediately on induction and sent home at government expense for fourteen days to arrange their business and family affairs. They would then return to active duty.

The new system is designed to eliminate injustices complained of in the present arrangement of granting ten-day furloughs upon request. In some instances such furloughs have been denied. In many cases the inductees were unable to pay their transportation home, especially since the furloughs were given at reception centers instead of induction places closer to their homes.

ONE MAN'S EYES

Perhaps never has a suregon's scalpel carried responsibility greater than will rest upon that of the ophthalmologist who, very soon, will operate upon the eyes of President Roberto M. Ortiz, of Argentina.

Because of his eyes Ortiz has had to permit his vice president to govern one of the great Latin-American republics. Ortiz is pro-American and anti-Axis. His acting substitute is, charitably speaking, isolationist. In Ortiz's absence, Argentina has declined to co-operate in Pan-American unity against Hitler. If Ortiz's eyes can be restored, we may expect full support from Argentina when he resumes active office.

AT THE POST EXCHANGE

One of the War Production Board's recent orders is going to prove a boon to recruiting agencies.

Cocoa to make candy for civilians has been rationed severely. But the beans used for the benefit of soldiers, sailors and marines will not be charged against processors' quotas.

So, it seems, if you like chocolates yourself or your girl friend does, you will find an unlimited supply at post exchanges and ship canteens—for men in uniform.

Now we'll see how close those campaign managers were on their predictions!

If you haven't voted yet, better duck out to the polls, which will close at eight o'clock.

WASHINGTON IN WARTIME

By JACK STINNETT

WASHINGTON — Although there is no official opinion on it, most observers agree that the order in which business is going to be hurt by price ceilings is (1) the retailer; (2) the wholesaler; (3) the manufacturer.

To take them up in reverse: The manufacturer, for the most part already has made his readjustments to price fixed basic materials, priorities, etc. The wholesaler will suffer most from the necessary cancelling of contracts already made for future delivery and from the pressure from his retail customers to absorb some of the losses. (Leon Henderson, OPA chief, estimates that 60 per cent of the wholesale goods now moving into the markets already are doing so under controlled prices.)

THE real headaches, however, will be those suffered by the retailers and few will escape, from the general store at the crossroads to the biggest emporiums in the metropolitan centers.

OPA estimates that \$700,000,000 will be sheared off prices by the order which makes March high the for-the-duration ceiling.

Retailers already are wailing that they were selling goods in March bought on contracts made long ago at wholesale prices far below March levels—that to pay March wholesale prices for those goods and sell them at March retail levels will force them out of business.

To consider all of the problems which are facing the nation's retailers, it would be necessary to

go into every store and consider almost every article sold.

OPA field representatives already are working day and night to help the retailers in the districts solve their problems and avoid bankruptcy.

The top suggestion is to cut down on services. The cash-and-carry business, for example, will probably become almost general. Where delivery services are not eliminated entirely, they will be greatly curtailed. Self service stores, or those partially so, will become numerous. Fancy packaging will become a thing of the past. Credits will be tightened up and many long-term credit systems abandoned.

WITH all of this corner-cutting and by "rolling back" some of the losses on wholesalers and manufacturers, OPA hopes the price ceilings can be established and maintained without wrecking retailers. If they can't the wrecks may become numerous. If they become too numerous, something else may have to be resorted to but if Administration officials continue to think as they do now it won't be an occasional ripping out of the price ceiling.

Unless it falls on our heads in some manner not now seen by government officials, the price ceiling is here to stay. It is much more likely that it will be extended to other commodities and even to wages than that it will be relaxed.

MAN ABOUT MANHATTAN

By GEORGE TUCKER

NEW YORK — On hand, the most disheveled place I know is a band-leader's dressingroom on the last night of a four-week booking in a Broadway theater. The confusion attending young men with horns is always magnificent. Let us sneak up to Tommy Dorsey's dressingroom, 5th floor, Paramount Theater, Broadway, U.S.A., and verify this.

This is a good size dressingroom. As dressingrooms go, it is enormous. You can turn around in it. You can even take several steps without cracking your hip against a trunk corner.

IN Tommy Dorsey's dressingroom, then, I saw 13 pairs of slacks, or trousers, all of varying shades of grey with the exception of two, hanging in picturesque disarray against one wall. Under the trousers was a day-bed, clean but plenty wrinkled. Against a wall, to the left of the blacked-out (for air raids) windows a wardrobe trunk stood open. Across its facade chuckled a rainbow of neckties. In probably three dozen neckties, in 40 different colors. There were a dozen pairs of shoes, mostly white on the floor. The make-up table, which stretched the length of one entire wall, looked as though a landing party of marines had just taken over, after a stiff fight. Wadded-up empty cigarette packages. Two coffee pots, going full blast. A rust-colored dressing gown. A dozen towels showing the effect of sun-tan face powder. A half-filled bottle of carbonated water that had lost its pep. A printed schedule prominently displayed, showing the exact hours of the shows that Dorsey had to

play. A clock, so that he could meet his scheduler. A deck of cards and four gin-rummy fiends in the inevitable game. Wads of paper about the rugged floor. Ashtrays sagging under burnt-out butts. Newspapers and magazines. Telegrams, fan letters. Suitcases, with a shirt tail sticking out of one. Safety razors, tubes of cream, a shaving brush. A comb and brush. And in the midst of this, immaculate, cheerful grin on his face, Dorsey himself. Four weeks on Broadway at the Paramount. This was the last night. The boys were working for "take" this last week. Their "take" had been turned over to the Army and Navy Relief.

"I MAY go into Music Hall with the Music Hall Symphony as soloist and play a Concerto for Trombone," observes Dorsey. "They want me to. I dunno. After I leave here it's eight or ten one-nighters, then theaters, then the Astor, then, hell, maybe the Army. I'm ready. I'll tell you one thing. . . . Some day I hope to be a top sergeant. . . . There are a couple guys I want to ride herd on. . . . What I'd give to be a top sergeant and have a couple guys I know under me. . . ."

A bell rang. A caller stuck his head through the door and sang out, "You're on, Tommy." Tommy Dorsey hitched his labels, took a quick glance at his necktie, and leaped into the elevator. Off to one side, at the far end of the dressing table, on a tiny electric burner, the coffee pots, both of them, bubbled merrily. I had a quite cup and went down stairs.

YEARS AGO IN WARREN

Interesting Items Taken From the Warren Evening Times

In 1922

The Ladies Auxiliaries of both the American Legion and the Veterans of Foreign Wars will sell poppies on Memorial Day and while there will be no fixed price for the flowers, it is hoped that a considerable sum will be realized from the sale.

W. D. Todd, who about a year ago disposed of his Sunnyside property on North Conewago avenue to Mr. McClure, has decided to build at Third and Conewago avenues and operations will begin in the near future on the new dwelling.

It is not probable that there will be any abundance of lilac blossoms for Memorial Day. When the weather is more advanced during April and May there are quantities of the fragrant and popular flowers, but this spring has been backward in forcing vegetation.

There are 196 boys who are taking advantage of the free swimming lessons which are being conducted in the pool at the Y. M. C. A. The entire week is given over to the boys in the grades and sub-high.

J. R. Prussell, of the State Highway Department, Erie, has arrived in Warren to start engineering on the Chancellers Valley-Sugar Grove road.

In 1932

Seventy-five men and women, mostly rectors and delegates, in attendance at the twenty-second annual convention of the Erie diocese of the Episcopal church, attended the closing dinner in charge of the Laymen's League, at the parish house of Trinity Memorial church last evening at 6:30 o'clock.

A. A. Albaugh, president of the Warren County Motor Club, left this morning for New Castle to attend the annual meeting of the Pennsylvania Motor Federation. Also attending are L. N. Schuler, manager of the local motor club, and Mrs. Schuler.

Miss Marion Sleeman, daughter of Mr. and Mrs. Edward Sleeman, of Clearmont, has been crowned as May queen at Allegheny College.

J. H. Alexander, H. D. Kopf, H. H. McConnell, Dr. Paul Stewart and H. W. Conarro left this morning to enjoy the sport of fishing in the vicinity of Brookston, Forest county.

The fire department was called to an east side residence this afternoon to put out a blaze, which was done without the use of water or chemical. The conflagration consisted of a cigarette stub and a ten-cent celluloid toothbrush. It is presumed that the owner of the tooth cleaner laid it down next to his smoke.

Of the prison inmates of Nevada, only 7 per cent are natives of the state.

Zone Firemen
Will Attend
New Classes

Fire Chief Douglas G. Kropf has announced that plans have been completed for the operation of firemen's training classes in Corry and Union City in Erie county, and in all fire departments in Crawford county with the exception of Titusville.

Chief Kropf is deputy chief fire warden under the State Council of Defense for Zone 1, which is composed of Warren, Crawford and Erie counties outside of the city of Erie.

The Corry school will be under the supervision of Chief Andrew Paulson, while Chief M. E. Danner will head the Union City school. In Crawford county, Assistant Chief Fred Carman, who has just finished a training course for all fire chiefs in the county, will supervise the training. Other schools will be organized in the near future in both Erie and Crawford counties.

In Warren county nearly all of the departments have finished their schools and lists are being prepared to be sent to all of the instructors in the county to certify the names of auxiliary firemen who are eligible for arm bands and identification cards.

BY JUDSON BAILEY
Associated Press Sports Writer

Old Connie Mack spoke at a dinner in Cleveland last night and, nice fellow that he is, asserted that the Indians are definite pennant contenders in the American League.

Mr. McGillicuddy may have been speaking either from his heart or from his extraordinary fund of baseball wisdom, but in either case the timing of his remarks was faultless because the Tribe has crept into a virtual tie with the New York Yankees for first place in the American League.

There is no question that 24-year-old Lou Boudreau has accomplished amazing things at Cleveland. The Tribe won 13 in a row at the end of April and when it went into tailspin and lost half a dozen straight, he jolted it back to an upward plane that has brought seven triumphs in the last eight games.

Yesterday the Indians waylaid the Philadelphia Athletics with six-hit pitching by Chubby Dean and Joe Heving and a 14-hit attack led by Ken Keltner and Oris Hockett. The result was a 7-4 victory that boosted the tribe within 13 percentage points of the Yanks.

The Browns took advantage of their off day to return Babe Dahlgren, the itinerant infielder, to the Chicago Cubs on the grounds that there had been a misunderstanding as to what would happen if Dahlgren went into military service before the end of the season.

Philadelphia's defeat at Cleveland plunged the A's into the American League basement as the Chicago White Sox captured their seventh straight victory 7-5 at the expense of the Washington Senators.

The surge of the Sox raised them to a tie with the Senators for sixth place as John Rigney, Chicago's pitching mainstay, passed from civilian life into the ranks of the navy at the Great Lakes Training station.

In the day's other American League contest the Boston Red Sox downed the Detroit Tigers 4-2 with Jimmy Foss providing the winning margin on a two-run homer in the sixth inning.

The Brooklyn Dodgers continued to burn up the National League running their latest winning streak to seven games and increasing their first place margin also to seven, by smothering the Chicago Cubs 4-1.

The St. Louis Cardinals shook off their scoring lethargy with a 16-4 triumph over the New York Giants.

Owen in 17 Games, Bums Win 'Em All

Brooklyn, N. Y., May 19.—(P)—Mickey Owen's luck last year wasn't all of the best, especially in the World Series where the Brooklyn catcher dropped a third strike that enabled the New York Yanks to win the game.

This year, however, it has been different. He has been in the line-up 17 times and the Dodgers have won every game in which he caught.

METHODISTS COP CHURCH LOOP OPENER

The Grace Methodist softballers jumped off to a satisfying start as the Church League opened at Beauty Field last night, beating the Men's Club 9 to 6 in a nine inning set.

R. Johnson did the tossing all the way for the winners. Ken Chase behind the bat, while Dick Kiefer hurled for the losers with Brown doing the receiving.

Baldensperger broke up the ball game with a triple for the Methodists that knocked home three runs and provided the winning margin.

Another game is on the schedule tonight, weather permitting, while Thursday evening a third contest will complete the first week program.

Two-in-Berth Travel System For Gridders

Atlanta, May 19.—(P)—Take it from Coach Frank Thomas of Alabama, whose Cotton Bowl Champions ride the rails: The football boys may wind up two-in-a-berth next fall—if there are any pullman berths to be had.

Thomas is better off than most. His longest hop is to Lexington, Ky., where he plays the University of Kentucky Oct. 24. He plays Georgia and Georgia Tech in Atlanta—a 200-mile day-coach run—and the other six games at Tuscaloosa or nearby Birmingham.

In any event, he says, he'll not turn his road squad, which usually runs about 40 men.

"We may not be able to get the kind of accommodations we've been getting," he says, "but we'll get along. If I have to, I'll put 'em two-to-a-lower-berth."

Other Southeastern Conference coaches think there'll be a tendency toward smaller squads. Claude (Little Monk) Simons, newly-appointed as Tulane's headman, expects to take 28 players instead of the usual 35 when he opens the season against Southern California Sept. 26 at Los Angeles.

Veteran W. A. Alexander of Georgia Tech, who takes his Yellowjackets to South Bend, Ind., for a game with Notre Dame Oct. 3, thinks 28 players ample—and adds he once played Pittsburgh with only 22.

Pirates, Phils in Relief Fund Game

Philadelphia, May 19.—(P)—Between 20,000 and 25,000 fans were expected to watch the Phils and Pittsburgh Pirates clash today for the benefit of the Army-Navy Relief Fund in the first major league twilight game in the history of Shibe Park.

All receipts will go to the relief fund and every sports writer, umpire, concessionaire and even the players—was required to pay to get in the park. Brooklyn and New York turned over \$58,806 in the first of the series of benefits.

Game time was 5 p. m. (EWT) instead of the usual 3:15 p. m., to permit defense workers to attend. The Pirates nominated Max Butcher to pitch against either Timmy Hughes or Johnny Podjagny for the Phils.

SPORTS ROUNDUP
BY HUGH FULLERTON, JR.
Wide World Sport Columnist
New York, May 19.—We can't see where the ban on night baseball will do any lasting damage to the Dodgers and Giants, so long as they continue to draw those huge Sunday crowds, but if the minor league clubs along the east coast are affected they may really be hurt. They already have been hit pretty hard by gas rationing and the tire shortage. Newark and Norfolk, and maybe some others, are drawing up lists of fans who are willing to use their cars and carry other customers to the park and are arranging to give out the information to fans who lack transportation. Fame is fleeting fast: Tami Mauriello, who gets his first big heavyweight shot against Bob Postor Thursday, can look at the Madison Square Garden marquee and see a guy named "Maurillo" is fighting. Paddy Driscoll, Chicago Bears backfield coach who underwent two hip operations during the winter, is back in the Chicago grain pit on crutches.

Quote, Unquote
Boiling Burell Grimes (on the International League's anti-saw rule): "Honestly, it's just like a vacation for me."

Al Sabath: "If anyone thinks we have been money mad in racing Alab during the winter, let him consider this: After a horse wins \$100,000 in purses these days, he's racing for Uncle Sam, because the rest goes in taxes."

What You Buy With WAR BONDS

A "Jeep" costs the army \$900. Soldiers call them "Four-by-Fours," but the official name is reconnaissance car. "Jeeps" can maintain a speed of 45 miles an hour, transport a half ton of supplies or six men.

We need thousands of these practical little cars. You and 47 of your neighbors buying an \$18.75 War Bond can buy one jeep. Do it today for the army needs thousands of them. Top the quota in your county and buy War Bonds every pay day.

Youth Fatally Hurt Loading Huge Timbers

(From Page One)
the lumber suddenly started to fall.

Brew was thrown clear of the load, but Passinger was crushed against the trailer by the falling lumber. As soon as the timbers could be removed from Passinger, he was rushed to the local hospital in the automobile of Sam White of Jefferson, Ohio, foreman of the lumber company's operations. Brew and another employee, Carl Swanson, accompanied them here.

The lumber was being loaded to be taken to a government plant near Pittsburgh, it was reported. At the hospital it was found that Passinger received fractures of both legs, double fracture of the jaw, broken nose, fractured pelvis and probable broken back.

Further investigation of the accident is being made today by Coroner Ed C. Lowrey.

Removal was made to the Lutz Funeral Home last night.

David Leroy Passinger was born October 4, 1918, at Dahoga, Pa., the son of Mr. and Mrs. H. M. Passinger, of Russell. He was married last winter to Elizabeth L. Hopkins, of Chancellors Valley, who survives, together with the parents and the following brothers and sisters: Merle A. Passinger, Scandia; Marvin M. Passinger, Warren; Lloyd C. Passinger, Camp Livingston, La.; Henry F. and Paul L. Passinger, of Russell; Mrs. John Maxwell, Monongahela; Mrs. William Hice, Russell; Mrs. Manuel Fehman, Youngville, and Mrs. Schellinger, of Cherry Creek, N. Y.

Funeral services will be held Thursday afternoon at 3:30 o'clock from the Lutz Funeral Home. The Rev. R. S. Naylor, pastor of the Russell Methodist church, will officiate and interment will be in Pine Grove cemetery at Russell.
